

Anubandhan- Extended warranty 5 years (CPCB IV +) service solutions DG sets – Comprehensive Care Package Scope of Work

- “Anubandhan”- **Extended Warranty Service Solution for CPCB IV+ DG Sets.** is a customized service package for Kirloskar make CPCB IV+ DG sets, provided through our extensive network of highly trained service professionals to take care all service needs of DG set maintenance post purchase of the product during warranty period and further 3 years after end of standard warranty.
- Applicable for Kirloskar diesel DG set from **7.5 kVA to 750 kVA nodes** which are under standard warranty period.
- This service package provides comprehensive coverage for all your DG set service needs.
- Period applicable
 - **Two year standard warranty offered by Kirloskar.**
 - **An extended warranty period for 3 years from end of standard warranty.**
 - **Coverage up to 5 years or 6,000 hours of DG set, whichever comes earlier.**
- **Assured visits** every quarter after end of standard warranty period.
- Complete peace of mind and predictable budgeting for maintenance costs (Opex) for long timeframe without any worry of inflation & Spares and Oil cost escalation during the tenure of agreement
- This Package service package is a one-time cost paid directly by the customer to Kirloskar oil engines limited. This cost covers all service visits and spare parts required for your DG set throughout the entire service package duration. Kirloskar's authorized service and spare parts dealership network across India will handle all service execution with a single point of contact for all your maintenance needs.

USPs:

- **Optimum Operating Expenses:** This service package offers peace of mind with no additional service maintenance costs for five years or up to 6,000 hours of DG set operation. This translates to significant cost savings over the coverage period without compromising on the DG health.
- **Improved Uptime and Efficiency:** This service package promotes economical operation by reducing the overall cost of ownership (TCO). as per regular maintenance and genuine spare parts, you can expect high uptime and efficient performance from your DG set.
- **Comprehensive Coverage:** There are no hidden charges. The package covers breakdown failures, ensuring the customer is protected from unexpected sudden repair costs.
- **Genuine Parts and Expertise:** Kirloskar guarantees the use of genuine spare parts and consumables and service provided by Kirloskar-trained service engineers, following a predefined maintenance schedule. Ensuring the DG set receives the best care and maximizes its lifespan with high uptime.
- **Reliable Parts Availability:** Kirloskar boasts an industry-leading spare parts management system. Assuring necessary spare parts are made available to minimize downtime during maintenance or repairs.

Includes:

- Kirloskar **genuine premium oil** for PM services.
- Includes Cost of Consumables (**Oil & Filter**) under CSP as per maintenance schedule during warranty.
- **CSPs and Preventive Maintenance (PM)** will be executed through a **maintenance kit** developed for CPCB IV+ nodes by Kirloskar team.
- Assured visit per year – **2 Preventive Maintenance (PM) and 2 Health Checkup (HC)** post standard warranty for 3 years.
- **Unlimited Breakdown** visits and spare parts replacement, **warrantable** during the complete tenure of package (5 years).
- **Labor charges and transportation charges** for all breakdown complaints reported by the customer.
